Dear John

Thank you for your letter of 8 November 2002 regarding the holding of walk events at ACTVAC track meetings. The Club welcomes the opportunity to formalise this long-standing arrangement which, we believe, has been beneficial to both of our clubs.

It is our understanding that the walk events at the ACTVAC summer track meetings are conducted jointly by ACTVAC and ACTRWC. In so doing, we understand that the obligations on our club and our members are as follows:

- ACTRWC will provide, wherever possible, at least two judges for each event, at least one of whom will be qualified and experienced. ACTRWC will provide at least three qualified judges for championship events;
- ACTRWC will develop a draft program for each season for the consideration and approval of ACTVAC;
- ACTRWC members over the age of 30 (i.e. members eligible for ACTVAC membership) will pay the gate fee set by ACTVAC for veteran aged athletes including, where applicable, any higher fees set for non-members of ACTVAC. Members under the age of 30 will pay a gate fee agreed between ACTVAC and ACTRWC (currently \$2);
- In addition to any judging duties, ACTRWC members who are also members of ACTVAC will be available for other rostered duties over the summer season in the same way as any other ACTVAC member; and
- ACTRWC will assist ACTVAC with the conduct of walk events at major events that are organised or coordinated by ACTVAC such as National Masters Athletics championships and Masters Games.

I can also confirm that, as an affiliated specialist club with ACT Athletics, ACTRWC is covered by Athletics Australia's public liability insurance cover.

I hope that these arrangements are acceptable to ACTVAC and look forward to continuing our relationship.

Yours sincerely
